

James Marquardt is associated with the North Central Region of the National Model Railroad Association (NMRA). This region covers the area around Fort Wayne, Indiana. He was The Three Rivers Division newsletter Editor at one point. He was the Coordinator of the Lima Train Show and Swap Meet. He is pictured above being interviewed live by local TV station.

James Marquardt is a Master Model Railroader (MMR) who has achieved the highest level of recognition in the model railroading community. The Master Model Railroader (MMR) title is awarded by the National Model Railroad Association (NMRA) to individuals who demonstrate exceptional skill, knowledge, and dedication to the hobby.

It is the obligation, responsibility and duty of an MMR to educate, advise, assist, train Achievement Program (AP) participants. When a person earns an MMR, it is a new beginning with each MMR doing their part in promoting the hobby of model railroading to future modelers and all interested parties.
